

Children's Committee gives thanks to community

By Maciej Wroblewski

The Children's Committee of the Gramercy Park Block Association, led by Eliza and her brother Alexander, celebrated Thanksgiving Holiday by delivering homemade pies and cards to say thanks to the many individuals and groups that serve the Gramercy Park community throughout the year.

The children first made their way to the Gramercy Park where they thanked park's caretakers Desmond Fraser and Armando Flores for their work keeping the neighborhood's green oasis beautiful year round. They then proceeded to the NYPD's Emergency Service Unit Truck 1 on East 21st Street to wish the officers happy holidays and to deliver more Thanksgiving goodies.

Later in the day, the Gramercy Park Block Association, led by its president, Arlene S. Harrison, delivered Thanksgiving dinners on behalf of the community to their extended family at NYPD's ESU Truck 1.
