

Gramercy Park Block Association Thanksgiving Fund 2008

Many of you have contacted me recently to ask if the Gramercy Park Block Association has a Thanksgiving Fund. Yes, we do have such an annual fund, which is used to thank the people who serve our community, and is also used on behalf of homeless and formerly homeless people in our area.

For example, this year, among the many things we will do is deliver chocolate pecan pies to some and serve full Thanksgiving dinners to others.

If you wish to contribute to this fund, please send your check in any amount, made out to the Gramercy Park Block Association. Send it to Arlene Harrison at 34 Gramercy Park East, New York, NY 10003. Please indicate on your check that it is for the Thanksgiving Fund 2008.

Many thanks from the Gramercy Park Block Association.
